

# Vast Demented Faery Ring

In the field where flowers spring  
Melt into a faery ring  
Endless dancing, carnal lust  
Quickly years turn to dust  
Indian warrior mesmerized  
Sucked into the faery lies  
Goblins attack, faery ring gone  
Eating Injun to the dawn  
Universal Daisy-chain  
Traced by a Wizards' cane  
Faeries enchant delightfully  
There is no place...  
I'd rather be  
All creatures now disappear  
Enter Albino Antler Deer  
Nothing left of conscious powers  
The deer and I eat the flowers
